Contents

Use the *Data Transformation HIX Library Release Notes* to learn about changed behavior, and fixed and known limitations in the Data Transformation HIX library.

To run HIX library version 10.5.1, you must use Informatica Developer version 10.5.1. You can't run this version of the library with earlier versions of Informatica Developer.

For more information about the library, see the *Data Transformation Libraries Guide*.

Changed Behavior

If the input data contains an incorrectly used delimiter, the error report that the HIX service generates does not contain the `<DataElementValue>` tag.

Fixed Limitations

This release has no fixed limitations.

Known Limitations

This release has no known limitations.

Informatica Global Customer Support

You can contact a Global Support Center by telephone or through the Informatica Network.

To find your local Informatica Global Customer Support telephone number, visit the Informatica website at the following link:
https://www.informatica.com/services-and-training/customer-success-services/contact-us.html.

To find online support resources on the Informatica Network, visit https://network.informatica.com and select the eSupport option.
