Informatica Global Customer Support.....	1

Use the *Data Transformation HL7 Library Release Notes* to learn about the installation and known limitations of the Data Transformation HL7 library.

For more information about the library, see the *Data Transformation Libraries Guide*.

Installing the Library

Before you can use a Data Transformation library, you must install it.

Note: If you are running a previous version, you can update the library from this version 10.1.1 .zip file, following the Installing Libraries steps in the *Data Transformation Libraries Guide*.

1. Copy the library .zip file to your local file system and unzip the file.
2. From the unzipped folder, copy the folder `<lib name>\Developer\DT` to the directory `<Install_Dir>\<version>\clients\`.

Known Limitations

There are no known limitations.

Notes

instance_to_execute is changed to "HL7_Main_<Parser /Serializer/Restricted_Serializer>".

Informatica Global Customer Support

You can contact a Global Support Center by telephone or through the Informatica Network.

To find your local Informatica Global Customer Support telephone number, visit the Informatica website at the following link:

<https://www.informatica.com/services-and-training/customer-success-services/contact-us.html>.

To find online support resources on the Informatica Network, visit <https://network.informatica.com> and select the eSupport option.
