## Known Issues

The following table describes general Informatica Intelligent Cloud Services™ Human Tasks known issues in this release. The (<release>) value in each issue description indicates the release in which the issue was reported.

Defect	Description
HWF-949	The Japanese user interface of Human Tasks shows some English content. (February 2023 release)
HWF-924	On the <b>My Services</b> page, the Human Tasks service is disabled even after you add the license to the organization. Workaround: In Administrator, click <b>User Roles</b> , and select the role. From the <b>Services</b> list, select <b>Human Tasks</b> . Click <b>Features</b> and enable the <b>View Human Task Application</b> option. Assign the role to the user. (February 2023 release)
